Authorized DSPD Services

Service code	Service	Unit	Authorized
SLH	Supported Living Hourly	Quarter-hour	5,000 units / year
HHS	Host Home Supports	Daily	365 days / year
DSI	Day Supports Individual	Quarter-hour	4,000 units / year

Goals and Objectives

Goal 1 (Community integration): Marcus will independently use public transit to attend his day program at least 3 times per week, using a transit app and a printed schedule, with staff fading prompts over 6 months.

Goal 2 (Daily living): Marcus will prepare a simple meal (e.g., sandwich, microwave entree) with no more than one verbal prompt, at least 4 times per week.

Goal 3 (Health self-management): Marcus will take his morning medications using a checklist and confirm with staff, 7 days per week, with the goal of self-administration by year end.

Medications

Sertraline 50 mg — one tablet by mouth every morning. Melatonin 5 mg — one tablet by mouth at bedtime as needed for sleep. Medication administration must be logged by staff.

Health and Safety Notes

No known allergies. No DNR on file. Marcus is independent with mobility. Host-home staff document a daily note tied to the goals above; hourly staff capture time per visit.

This is a fictional sample document generated for end-to-end testing of the Hive platform. Any resemblance to a real individual is coincidental.
